Young Pianist to Be Feature of Civic Symphony Concert Nov. 1

A talented young pianist will play with the Civic Symphony, Elise Aehle, conducting, in their next concert at Redondo High School Auditorium on Wednesday, Nov. 1, at 8:15 p.m.

Robert DeSimone, son of Mr. and Mrs. John DeSimone of Hermosa Beach, will be the featured soloist. Bob is a graduate of Redondo Union High School and received his bachelor's degree of music in piano from USC in 1959. He is presently serving in the United States Army Reserve at Ft. Ord, but he will have special leave for this concert.

In February he will return to USC to finish his master's degree in piano, together with his teaching credentials in music, English, and drama. In 1955 he had the "Highest Rating" with the Music Guild of America. He began as a pupil of Viola Niland and then spent six years under Dr. Paul Stoye of Palos Verdes before entering college.

HE HAS BEEN well received in numerous concerts in the Southwest and Los Angeles areas, and appeared in one of the Civic Symphony May Festival of the Arts. He gave his senior recital at USC in 1959 and played with the USC orchestra. After receiving his M.A. degree, DeSimone plans to concertize and teach.

In the coming concert DeSimone will play the Ravel "Concerto for the Left Hand." This is considered to be one of the show pieces of piano technique.

THE SYMPHONY will open the program with the Second Symphony of Beethoven. The great composer and critic, Berlioz, wrote of this symphony, "In this symphony everything is noble, energetic, proud, yet full of infectious happiness." It is the "culminating point of the world of Haydn and Mozart."

Maestro Aehle has chosen to close the program with the

The persimmon tree provides fruit for some of fall's most decorative table centerpieces, and at the same time, the tree itself provides a bonus of big autumn foliage, even in coastal gardens. Gardeners who have not discovered this fine garden tree should get acquainted. It fits neatly into small gardens and has few demands other than sufficient water, good rich soil,

clever "Matinee Musicales" by Benjamin Britten on themes from Rossini.

THIS CONCERT is free to the public through the efforts of the Los Angeles County Board of Supervisors and Burton W. Chace of the Fourth District, with the approval of the Los Angeles County Music Commission. It receives further support from the Performance Fund of the Recording Industries through Local 47, AF of M, John Tranchitella, president, and from the Civic Symphony Assn. members.

The Civic Symphony Orchestra Inc. was founded in 1945, and is a member of the American Symphony Orchestra League and the Los Angeles County League of Symphonies. New members are welcome both in the association and the orchestra. Rehearsals are every Monday at 7:45 p.m. in Redondo High School music hall.
